Topic: "The Influence of Social Media on Society"

## **Title: "Scrolling Beyond Borders: The Impact of Social Media on Contemporary Society"**

In this example, the title captures the main subject, which is the influence of social media. It goes beyond a generic title by incorporating descriptive and engaging elements. The phrase "Scrolling Beyond Borders" adds a visual element and suggests the widespread nature of social media's influence. "The Impact of Social Media on Contemporary Society" provides additional context and specifies the focus of the essay.

Remember, when creating a title, it's important to reflect the content, be clear and concise, engage the reader's interest, and capture the essence of your essay.
